

A Heritage of Insurance

Mid-Valley Insurance was founded in 1931 and after three generations, continues to be a family held business

As an Independent Insurance Agency, Mid-Valley represents a host of companies which specialize in various lines of coverage. This allows the Mid-Valley Agent to find the right company for the right exposure, providing you with the right coverage at the right price.

Equine Protection

The Mid-Valley way

As a national agribusiness provider we have access to every major insurance company in the United States and it's territories. This diversity guarantees our clients the highest quality insurance products at the most competitive premiums.

Our policies insure horses, owners, trainers, riding instructors, riding clubs, equestrian facilities and special events to name just a few. Contact us for a no obligation insurance analysis and premium quotation today.

Equine Major Medical

We designed coverage to insure your horse against death or injury from almost any cause. Our mortality policy includes humane destruction made necessary by an illness or accidental injury. This policy is unique in the industry as the basic form includes coverage for theft and colic surgery at no additional cost. Preferred rates, comprehensive worldwide coverage, telephone binders and 24 hour claim service makes this your policy of choice within 24 hours!
